Width: You get to meet other BK teachers and see and buy the resources

Depth: The skills in marking context and essay questions will be yours!

Why another SPM BK Seminar?

“I’ve been to every BK seminar in KLPJ the last few years. There are always new things to learn.” The seminar content varies each year. Last year’s programme included two lesson demonstrations. This will be repeated with other passages from Luke and Acts at the coming seminar!

“The sense of purpose is renewed for me as a volunteer teacher at these BK seminars.” The gathering of over 100 volunteer teachers is energizing. New teachers are inspired and shown the ropes. Experienced teachers also receive the finer points which are helpful for perspective and handling of God’s Word.

“I meet teachers with similar class start-up management problems. We share resources!” New classes spring up each year. Students and teachers battle for time and stamina. Getting into the BK-net is so good especially for sharing exam papers.

“Now it is 10+2 subjects in the SPM. What does this really mean?”
Time to get a clear picture about choices for candidates 2010 onwards.

WHO should come?

- Church and school personnel
 - Pastors/elders who want to assess the scope and significance of this SPM subject
 - Parents who want to see ahead the choices for their children

 - Practising teachers who have new opportunities to teach their own Christian students
 - Practising BK teachers who can contribute to Session III
