

What a great and exciting year 2010 is going to be for all of you who are Adventure enthusiasts!

MAPs (Ministering through Adventure Programmes) is a Christian Ministry that uses adventure activities as a tool to share the gospel of salvation of Jesus Christ to students and youths. We are an inter-denominational Christian organisation and partners with various Christian churches in our endeavour.

As part of our endeavour to introduce the concept of using outdoor adventure activities, to reach young people for Jesus, our effort includes running courses for Christians who are:

- Born again
- Have passion for the lives of students/youths and above 18 years old
- Loves the outdoors and not afraid of the challenges that comes with it
- Teachable and ready for a new experience

If you fit the above criteria, we want to invite you for a training with us in Basic Outdoor Instructing as follows in Kuala Lumpur / Penang / Johor Bahru in 2010 for your planning. :
