

February 2018

Dear Christian Teacher,

On behalf the National BK Quiz Committee, I invite you to be involved in the Regional BK 18 Quiz in your town.

This is the second time the short written Quiz will be run in Sandakan, Sibul, Bintulu, Kluang, Seremban and Penang. Tawau is running the Quiz for the first time this year. Labuan had successfully run this objective paper for several years already.

Our young people (Form 1-6) need constant motivation to read God's Word. This is a certificate –awarding quiz, recognised by KPM. Teachers who serve on the committee will also receive certificates of appreciation. This certificate carries the MCSC logo as well as the KPM logo.

Thank you if you have already agreed to be part of the BK18 Committee and agreed to be a promoter among your students.

The Date is Saturday 30th June 2018. See the Address and Contact list below.

The text is Luke 1-12. The paper has 50 objective questions and is given 40 minutes only.

Please see the proposed program and program notes. Pg ? ?

The activities are aimed at giving information and motivation. There are students whom the Lord has been guiding to get serious with His Word. They have been challenged from Form 1 or earlier to be a witness of Jesus. They can be spurred on by Bible-related activities which provide some eye-opening fun. These interschool events also promote a spirit of excellence and build friendships.

Personally, I have seen the benefits and blessing of God on students who took part in the Oral BK Quizzes (since 1997) for SPM students, the BK01- BK17 Quizzes for others. Because they honoured the Lord in their diligence to know His Word, He honoured them in many ways.

It will be wonderful if your Christian colleagues and you will undertake this project of spurring your students to read God's Word, one portion at a time. By the time they reach Form 4 & 5, they will have the desire to score the A for SPM Bible Knowledge (9221). Their parents can accompany them to this Regional Quiz on 30 June. Parents need to give their consent.

If you are in need of more information or would like to be part of this nation-wide event, please contact the regional coordinator to offer your help. Encourage as many of your

students to sign up as you can. Your talented students can also volunteer to be part of the Simulation item or the optional Bible-Timeline exercise. Do volunteer to help the regional coordinator nearest to you. I believe he/she can send an invitation or calling letter so that you can easily get permission to be part of this inter-school regional event. Every venue can take more than 100 participants. The closing date is 23rd May, 2018. Entry forms can be emailed to you upon request.

Thanks and God Bless you in your daily and special services in His Name.
